Crafting Dreams, Building Homes

Your Vision, Our Expertise

Farmer Construction helps dreams take shape and with homes that become a reflection of your unique style. From concept to completion, we collaborate closely with our clients to understand their unique preferences and lifestyle. With a passion for craftsmanship and a commitment to excellence, we believe in building not just houses but sanctuaries, where memories are made and dreams come to life.

We work seamlessly to bring each vision to fruition with our team of skilled partners, MA Architects (MAA) + Cyrus Prime Consultants (C.P.C.), as well as designers, and craftsmen. If you have already selected, or want to work with a specific architect or designer, we are happy to collaborate and work with your current team.

Whether it is a modern masterpiece or a timeless classic, we bring your dream home to life.

Construction & Project Management

Tailored to Your Lifestyle. Our custom home design services focus on creating spaces that perfectly match your needs, preferences, and aesthetic sensibilities. Our experienced construction team ensures that each project is executed with precision, delivering homes of uncompromising quality. Our project management ensures timelines are met and budgets are adhered to.

Renovations and Additions

Beyond new builds, we specialize transforming spaces with renovations and additions. Whether it is a room makeover or expanding your living space, we bring the same dedication to every project.
